

# COMPANY OVERVIEW 2022

# OUR STORY

Sabafer Srl is a company with **thirty years of experience** in the **tecno-industrial supplies** market.

Based in **Turin**, a few kilometers away from the biggest Industrial and Automotive plants in **northern Italy**, We operate throughout the **National and European territory**.

Thanks to the **experience** we acquired, We are able to guarantee to our customers a **selected product**, synonymous with **high quality and safety**: proposing ourselves on the market with a modern commercial structure, mainly aimed to **medium and large Companies or Corporate Groups**.

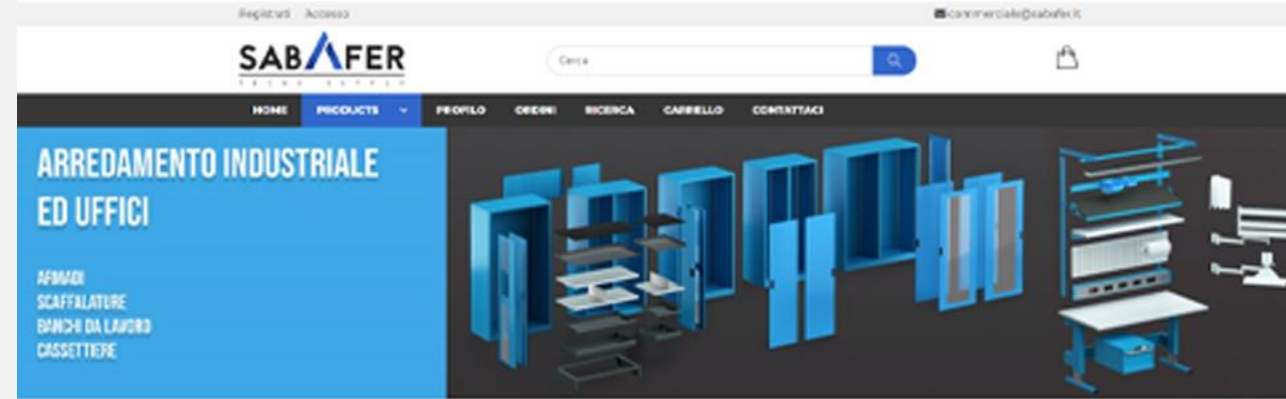

# OUR PRODUCTS

Our products are the result of the collaborations we developed in **30 years of experience** in this sector, relying exclusively on the **best brands on the market**.

We can count on a proven sales and capillary supply structure within the national and European territory.

We recently inaugurated the **new e-commerce portal** available to our most loyal customers.

In 2021 the platform is integrated in “**punchout**” with one of our most important customers, Marelli Europe Spa, so **both platform are now directly connected** to each-other resulting in **simplified purchases management** for both parties.

## 30 ANNI DI ESPERIENZA NELLA FORNITURA DI ATTREZZATURE DA LAVORO

Sabafer SA è una società con esperienza trentennale nel mercato delle forniture tecnologiche. Con sede a Torino, e punti di riferimento di rilievo in  
i maggiori impianti industriali ed autoriscaldamento del Nord Italia, operiamo su tutto il territorio nazionale ed europeo. Grazie al know-how acquisito siamo in  
grado di garantire alla nostra clientela un servizio altamente qualificato, pronto di alta qualità e soluzioni personalizzate sul mercato con una struttura  
commerciale moderna, rivolta prevalentemente alle medie e grandi aziende.

# OUR WORKSHOP

Sabafer has an external **workshop** who takes care of the **study** and **construction** of **components** related to the **automotive industry** and beyond.

We have recently made various components, such as the centering clutch KIT, crankshaft and many many others for various customers.

Our production **also extends into other fields**, such as the **hydraulic** one for the production of **flanges** and other **components on request**.

We are therefore **able to create almost any component** starting from a **CAD drawing**.

# OUR CUSTOMERS

We have always cooperated with large Companies, which have entrusted Us with the **responsibility** of assisting them in the supply of work and safety equipment, which we repay promptly by carefully **taking care of every order**.

Sabafer Srl is synonymous with **speed** and **professionalism**, We provide the customer with the experience of our team and the best brands on the market.

This philosophy and attention to the customer has allowed us to forge **relationships** with the **most important national and European companies**.
